

ICT Resources Acceptable Use Agreement

It is compulsory for students in Years 10, 11 and 12 to have a **laptop** (MacBook or PC with a minimum 13" screen) to assist them in their studies. Students are not to purchase an iPad or tablet as they do not satisfy the training requirements.

Students must purchase their own device from any provider and the device will be set up to access the College Wi-Fi network during the first term of 2025.

If a student breaches any of the statements below their device maybe removed from accessing the Wi-Fi network or banned from school.

Please read carefully each statement and then sign the agreement:

- The College is not responsible for the security of devices. Devices cannot be left at school.
- Devices maybe used in any lesson or assessment which will be directed by a teacher. Students must immediately comply with any teacher's requests regarding their devices.
- Students are not permitted to transmit or post photographic images/videos of any person at school or in public to social networking sites.
- Devices used on the College's and Catholic Schools Parramatta Diocese's Network will be managed using the Company Portal (managed by Intune). This will enable deployment and installation of Apps and management of security settings. Company Portal can only manage the settings on the connected device. It cannot view in App data, App usage details or delete Apps. The Company Portal app and associated software must remain on the student's device to support a safe and stable connection to the Internet, deployment of educational Apps to devices and locate devices when connected to our network. Company Portal will collect data about the websites used whilst connected to the College's network.
- Devices must be fully charged every day prior to bringing them to school.
- To ensure appropriate network filters, students will only use the wireless connection while at school and will not attempt to bypass the network restrictions by using a mobile network.
- To ensure appropriate student safety, students are to only use the College's Wi-Fi network.
- It is a student's responsibility to repair their device if needed and not physically share their device with other students.

If you require further information, please contact the college on 8886 9500.

STUDENT

I have carefully read the ICT Resources Acceptable Use Agreement and understand the significance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will mean that my access to ICT resources and mobile technology at school will be renegotiated. This may result in loss of access to school ICT resources such as computers, internet, email.

PARENT/GUARDIAN

As the parent/guardian of the abovementioned student, I have read the ICT Acceptable Use Agreement and have discussed the information contained in the Agreement with my child. I understand that ICT resources access is designed for educational purposes. CathWest Innovation College have taken precautions to define acceptable ICT use.

However, I recognise steps have been taken in the school to minimise risk of exposure to unsuitable material and it is impossible for Catholic Schools Parramatta Diocese or the school to restrict access to all inappropriate content and materials and I will not hold them responsible for the content accessed or materials acquired on the ICT resources. Further, I accept full responsibility for supervision if/when my child's use is not in a school setting.

Year 11 TRADE Pathway Students ONLY complete below two sections:

OBTAINING SCHOOL BASED APPRENTICESHIP/TRAINEESHIP (SBAT)

Students must seek their own School-Based Apprenticeship/Traineeship (SBAT) as the College is not responsible for sourcing SBATs for students. It is the student's responsibility to make the initial contact with a prospective employer and forward their details to the College's Leader of Industry Partnerships via email. They will then contact employers to make the necessary arrangements for implementing and finalising a student's SBAT.
